The Honorable Governor Linda Lingle
Office of the Governor
Executive Chambers, Hawai'i State Capitol
Honolulu, Hawai'i 96813

Aloha:

Please be advised that our Board of Trustees adopted a motion on Thursday, July 2, 2009 to support Maunakea, Hawaii as the site for the proposed Thirty Meter Telescope project. The motion adopted by the Trustees reads as follows:

In consideration of various cultural and economic factors, the OHA Board of Trustees resolves to support the selection of Maunakea, Hawai'i as the site for the proposed Thirty Meter Telescope Project.

All Trustees present at the meeting on July 2, 2009, voted in favor of the motion. This action was taken a day after more than two (2) hours of testimony was received by our standing committee relating to this project. The Trustees considered this testimony and moved to support the selection of Maunakea, Hawaii as the site of the Thirty Meter Telescope project.

We look forward to your consideration of this action taken by our Trustees. Please feel free to contact us with any questions.

Yours very truly,
